

Professional Series

Freestanding Dual Stacking Monitor Arm

Features:

- Create a multi-display productive workspace in the smallest of spaces with the Professional Series Freestanding Dual Stacking Monitor Arm.
- Elevate your monitors to increase valuable desk space and reduce eye, neck and shoulder strain.
- Freestanding design allows a monitor arm configuration in spaces that don't accommodate clamp or grommet mounting.
- Fully height adjustable for the perfect viewing position.
- Integrated cable management system to keep you tangle free.
- Tested by FIRA International Ltd to comply with the ergonomic requirements set out in the European Health and Safety Legislation: EN ISO 9241-5.

Specifications:

Code	8044001
