Stay connected with a long battery life

The long battery life and HP Fast Charge technology let you work, watch, and stay connected all day.

A lightweight laptop for work or play, wherever you need it

Get a fresh perspective

From a rejuvenated Start menu, to new ways to connect to your favorite people, news, games, and content—Windows 11 is the place to think, express, and create in a natural way.

A dynamic processor that adapts to you for superior multi-tasking performance

12th Gen Intel® Core™ processors distributes performance where you need it the most — saving you time and increasing your ability to do the things you actually want.

Intel® Iris® graphics

More powerful Intel® Iris® graphics take all the visuals on your screen up a notch with vibrant, ultra-sharp quality. And with the capability of using multiple advanced displays, enjoy an awesome entertainment experience.

Flicker-free

Using DC Dimming technology that controls brightness by adjusting direct current rather than cycling the backlight, we can eliminate screen flickering for more comfortable viewing.
